**SUBJECT LINE:** CORRECTION TO CY2024 ORYX PERFORMANCE MEASUREMENT REQUIREMENTS FOR CAHS

Dear Colleague:

This is a correction specifically applicable to Critical Access Hospitals regarding the CY2024 ORYX Performance Measurement Requirements.

Correction: Participation in the Joint Commission National Healthcare Safety Network (NHSN) Group is **optional** for Critical Access Hospitals where participation in CMS programs is not required.

Please note onboarding information to opt-in to The Joint Commission NHSN Group will be provided to all organizations, including Critical Access Hospitals, in CY2024. Critical Access Hospitals may elect to participate in The Joint Commission NHSN Group if they choose.

For information regarding The Joint Commission CY2024 ORYX requirements, please see the CY2024 requirements document posted on The Joint Commission website:
