SUBJECT LINE: REMINDER CY2023 eCQM DEADLINE MARCH 15, 2024

Dear Colleague:

This is a reminder for those organizations required or electing to submit eCQM data to The Joint Commission to meet their CY2023 ORYX requirements. Please note *this email is sent to all organizations regardless of organization's current submission status* within The Joint Commission Direct Data Submission Platform (DDSP).

**The Joint Commission deadline for submitting CY2023 eCQM data to the DDSP is March 15, 2024 at 11:59 PM Central Time.** We strongly encourage organizations to submit their data well in advance of the deadline.

It is important for organizations to verify that their data is processed and submitted accurately and on time and **retain a copy of their Submission Report**. Organizations electing to use consultants or vendors to assist with the data submission process on the DDSP should have their own staff log into the platform to verify that data has been submitted as expected. *Joint Commission staff cannot confirm this for you.*
